

MOB PROGRAMMING

'If you want to go fast, go alone. If you want to go far, go together.'
- African Proverb

DAVID CASTLE

ADVANTAGES OF MOB PROGRAMMING

The benefits of mob programming:

- Energy efficiency.
- Reduction in stand-up meetings because the team is already aligned.
- Group knowledge-base is constantly being developed.
- Constant feedback and evaluation.

ADVANTAGES OF MOB PROGRAMMING

- Enables continuous learning.
- Ensures coding standards are met.
- Provides fast feedback.
- Enables continuous work.
- Breeds better hard and soft skills.

HARD Problem

Solution

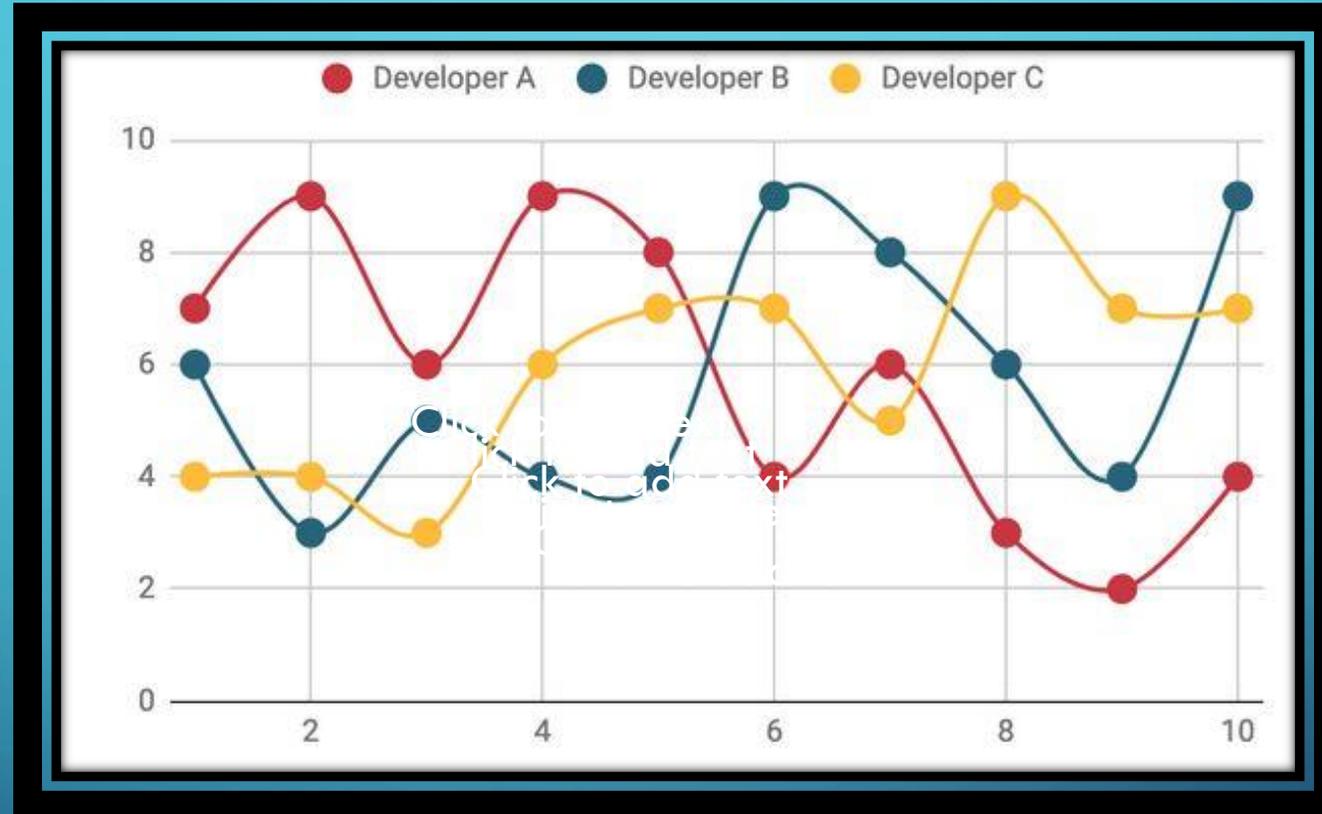

EASY Problem

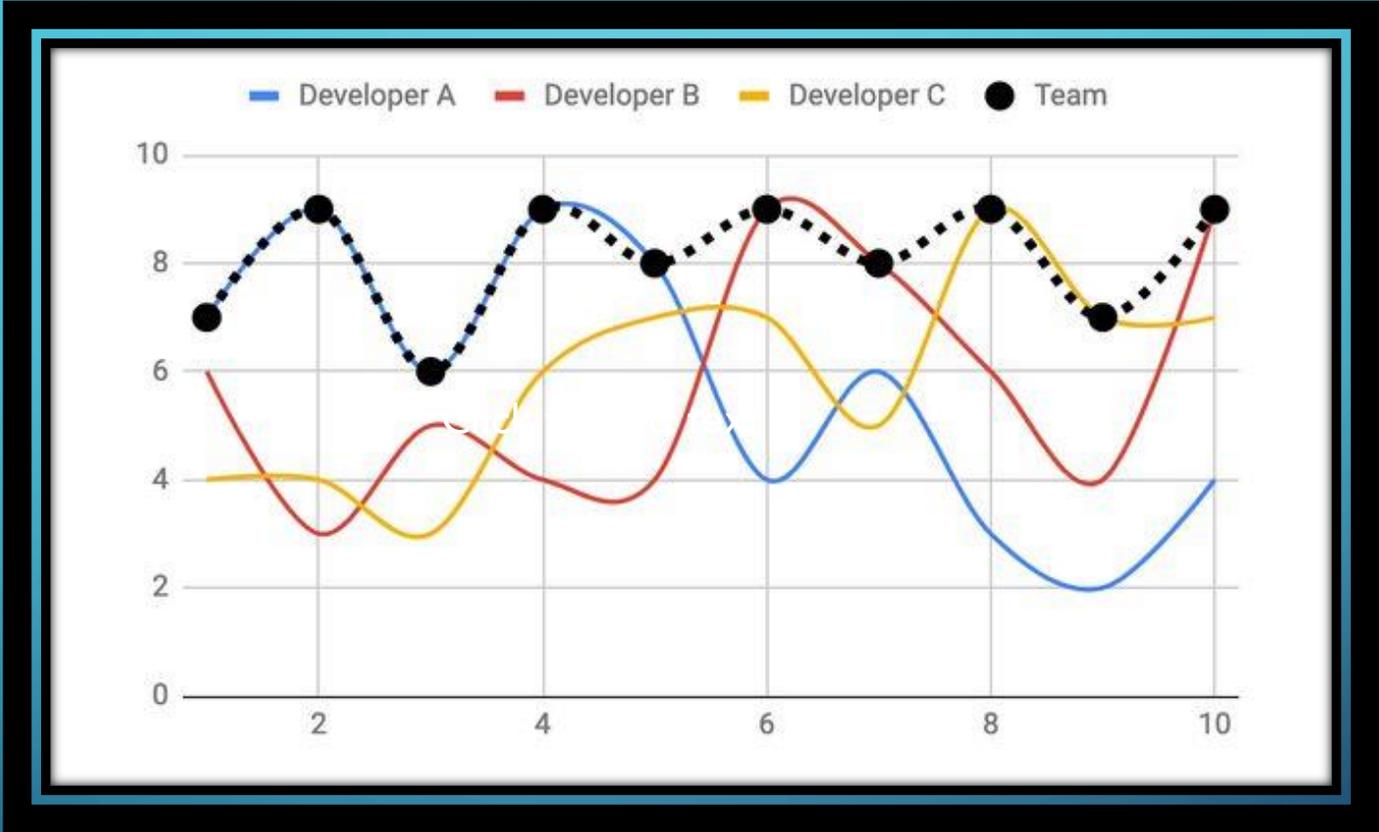

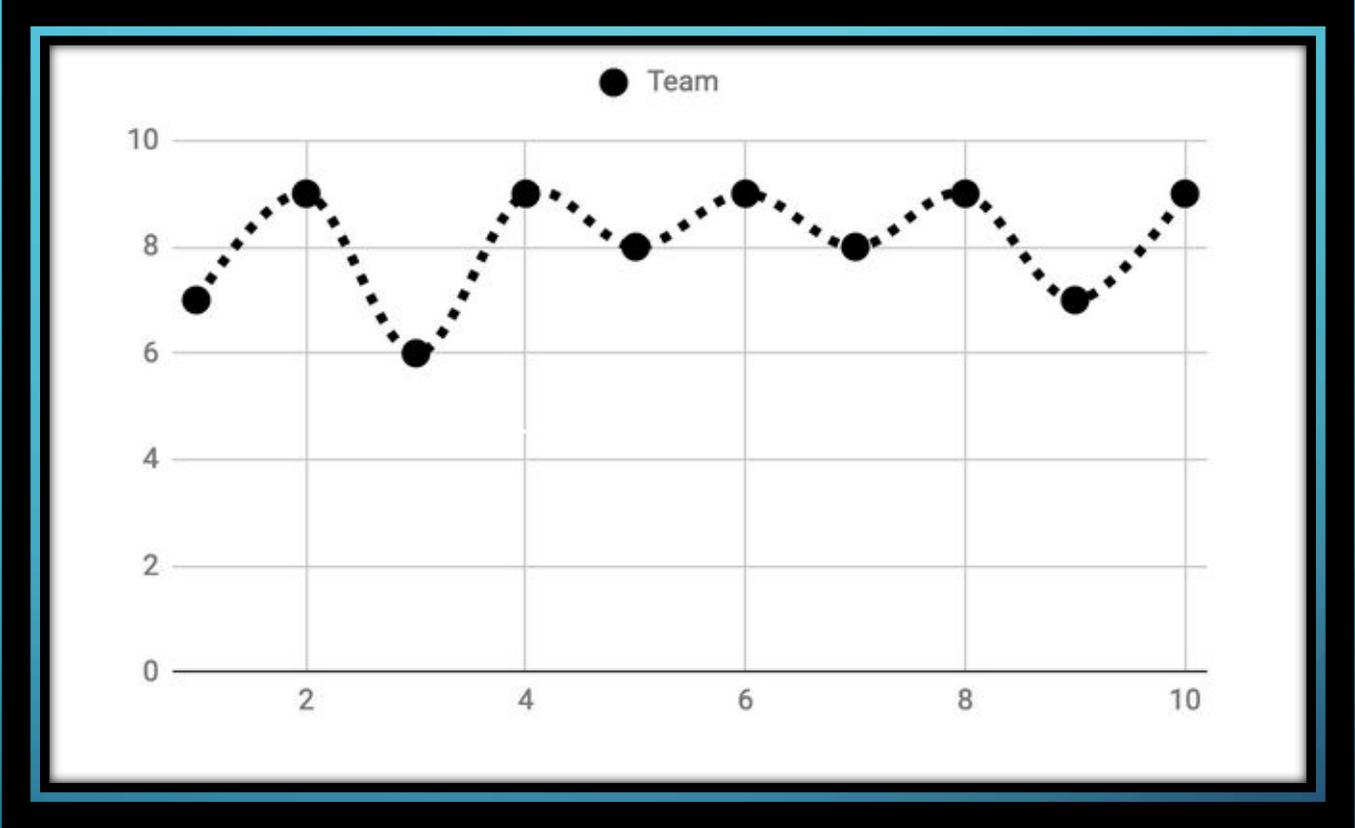

Innovation

How does the team benefit?

TO CONCLUDE...

- It was an enjoyable learning experience
- Motivational
- The discovery planning phase was very important to see where we are and what we need to accomplish
- It was a good switch from the single-developer experience

That's all Folks!

THANK YOU
