

The top-left portion of the page features a series of thin, light-brown lines that intersect to form several overlapping, irregular polygons. These lines create a complex, abstract geometric pattern that tapers towards the right side of the page.

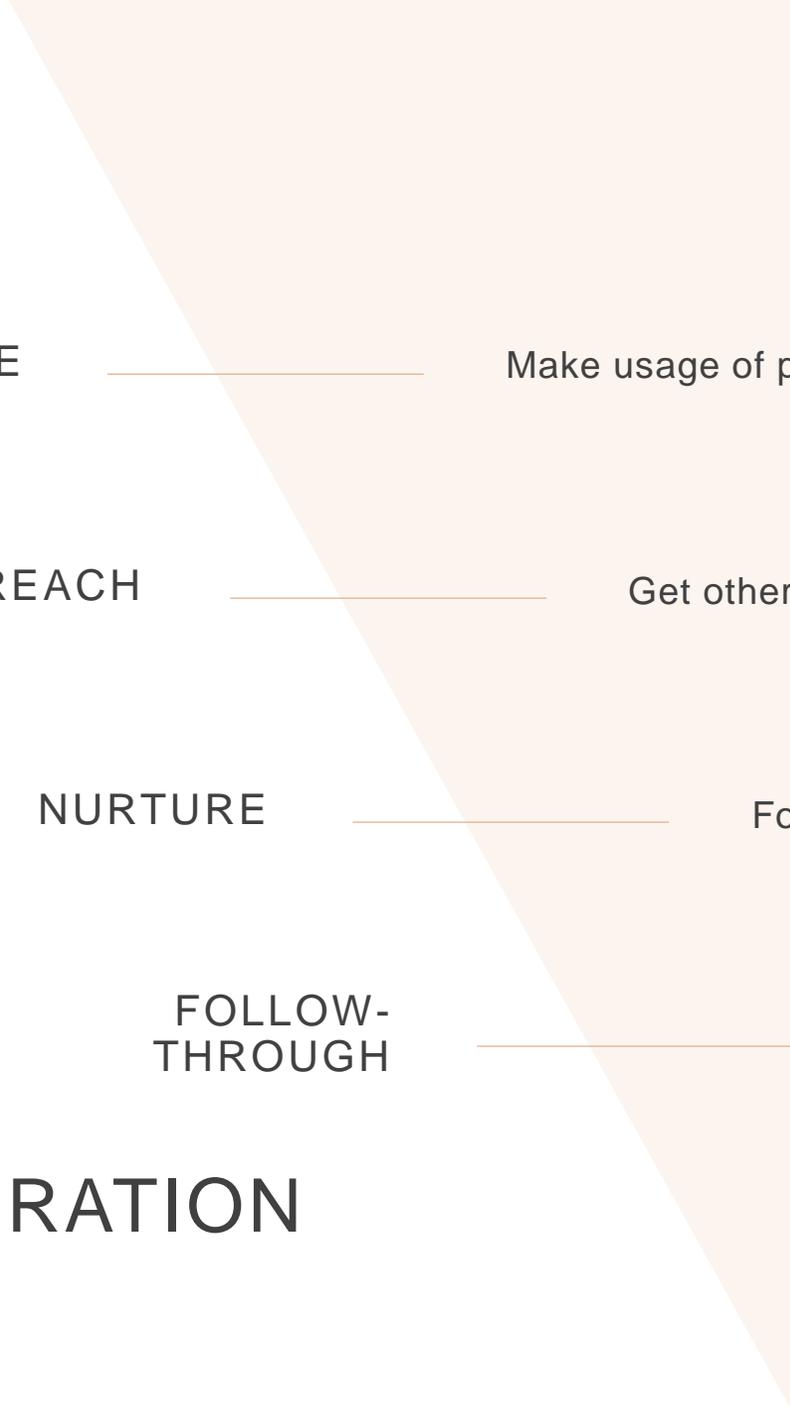

REAL WORLD INTEGRATION

Richard Dungal

SPOTTING OPPORTUNITIES

SOLID and Code Smells are tools for spotting opportunities for improvement

INCORPORATE

Make usage of principles and methodologies instinctual

PREACH

Get other developers to see the value

NURTURE

Foster an environment that embraces these methodologies

FOLLOW-
THROUGH

Customer buy in and devotion of resources

INTEGRATION

CONCERNS

COMPLEXITY

Involves many concepts and terms

LIMITED USAGE

Not many developers are active users

MIGRATIONS

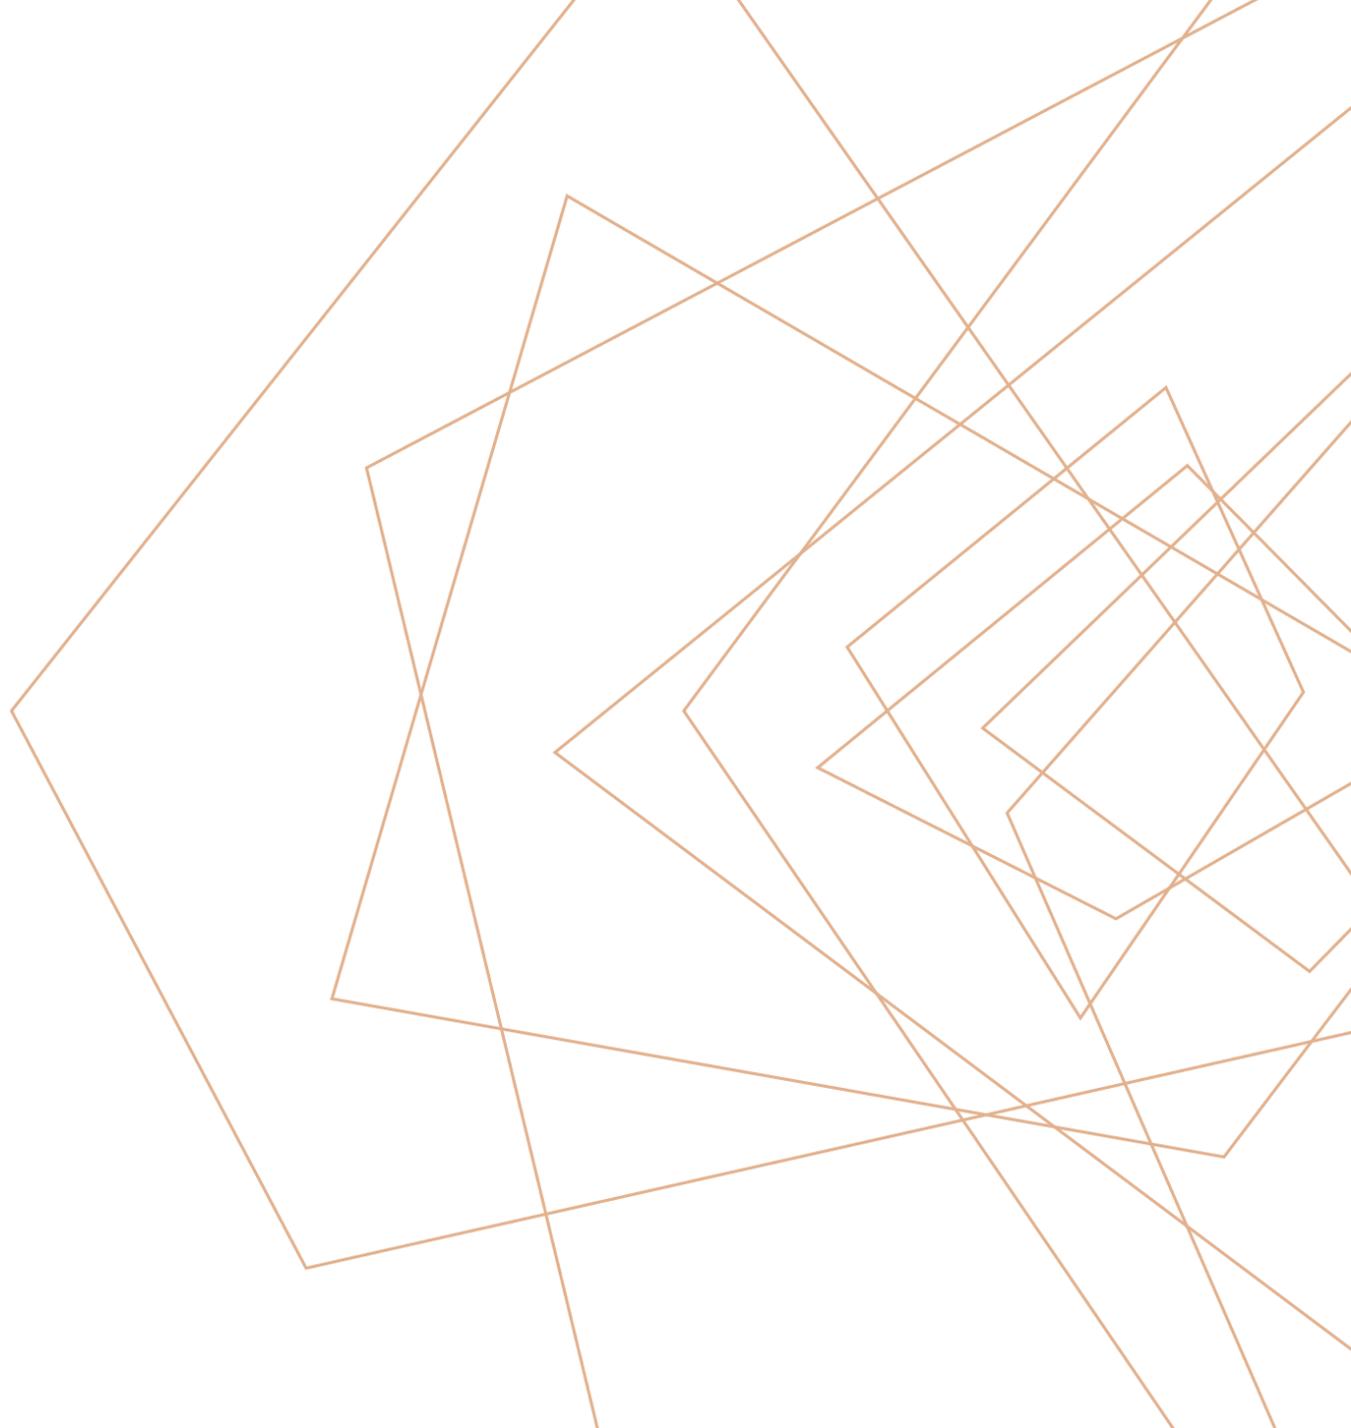

Joining other teams could lead to neglect

FRICITION

Feedback is not always well received

Q&A

Share your thoughts, please

A decorative graphic in the top-left corner consisting of several overlapping, thin, light-brown lines that form a complex, abstract geometric shape, resembling a stylized map or a network diagram.

THANK YOU
